Dear Members,

On behalf of the SCPA Executive, I present to you our latest Regional Handbook. I would like to thank all our sponsors for their continued support of the SCPA and thanks once again to Dave Stubbs, Hilary Kidd, Kath Knight and Mark Duncan in compiling and producing this booklet.

This year I would like to welcome all the new members at the West Meon & Warnford Club who join PE and the Southern Counties as our newest club in the region. I would also like to wish the members at Bordon every success with their new terrain being built at Headley Playing Fields in time for the 2026 season. The club has also changed their name to Headley & Bordon Petanque Club.

Playing boule as a past time at whatever competitive level we choose to play, has always been a good form of escape from the pressures of modern-day life in an everchanging world. Many of us will recognise the many health benefits that we all enjoy from playing Petanque. From being active and outdoors to meeting up and playing Petanque socially and making friends at our club and with those we meet and play against competitively in leagues and competitions.

This booklet provides a useful list of contacts within the region and a full calendar of opportunity to play boule. We hope that you can all enjoy playing competitively and can support the club and regional events this year. Wishing you good luck and every success in 2026.

Regards

Steve Lombard, SCPA President
